Dear Friends

WHAT EVER NEXT?

We all stand at the beginning of a new year and we are prompted to wonder what will 2026 be like for us.

We now live in a world where change is happening at an amazing speed.

Who would have thought shopping would be so different as we work out what to do in the supermarket
and we scan our purchases and pay by card?

Who would have thought that people would stay at home and work remotely and communicate with each
other by screens?

Who would have thought that it would be so difficult to believe what we read and hear and are led to
wonder is it true or "fake" news?

The list could go on and we wonder – WHAT EVER NEXT?

As we move into a new year we do not go alone ----

We walk with a God who does not change and is the same yesterday, today and forever.

We walk with a God who does not leave us to find the way on our own.

We walk with a God who is not remote and separate and who we can only see on a screen – we see Him in
the wonderful world of nature and in our lives.

We walk with a God we can believe is true and has proved this by sending His son to die for us on a cross.
WHAT EVER NEXT?

As believers in God we can confidently say – although I don't know what the future holds, I know who
holds the future .

May 2026 be a year of blessing for us all

Janet Willson
